250 hi-tech CCTV cameras being installed in city

Will monitor traffic violations, Law & Order issues

ADGP (Traffic and Road Safety) Alok Kumar accompanied by Additional SP of Mysuru Dr. B.N. Nandini inspecting Devalapura junction on Ring Road near Uttanahalli this morning. Picture right shows one of the cameras installed on Mysuru-Bannur Road near Bhugathagalli last evening.

Mysuru, May 14 (RK&BCT)- A new project is underway in Mysuru city and its outskirts, involving the installation of over 250 CCTV cameras. Tenders for this project were issued from Police Headquarters in Bengaluru. Once completed, these additional cameras will supplement the over 50 existing surveillance infrastructure deployed at various junctions across the city.

Council polls: CM joins Congress candidates in filing nominations

Marithibbegowda seeks re-election from South Teachers seat; K.K. Manjunath fielded from South West Teachers seat

***Marithibbegowda** (standing fourth from left), Congress candidate from South Teachers Constituency for the elections to Legislative Council, submitting his nomination paper to Regional Commissioner Dr. G.C. Prakash in city this afternoon accompanied by CM Siddaramaiah, Ministers Dr. H.C. Mahadevappa, Madhu Bangarappa and N. Cheluvarayaswamy. Picture right shows K.K. Manjunath, Congress candidate from South West Teachers seat, submitting his nomination papers.*

Mysuru, May 14 (MTY&BS)- MLC and former Deputy Chairman of the State Legislative Council, Marithibbegowda, submitted his nomination for the Legislative Council election from the South Teachers Constituency this afternoon.

Marithibbegowda handed over the nomination papers in four sets to Regional Commissioner Dr. G.C. Prakash, also the Returning Officer, at the Office of Regional Commissioner on Hunsur Road.

He was accompanied by Chief Minister Siddaramaiah and District Ministers Dr. H.C. Mahadevappa (Mysuru), K. Venkatesh (Chamarajanagar) & N. Cheluvarayaswamy (Mandya), School Education and Literacy Minister Madhu Bangarappa, MLA and KPCC Working President Tanveer Sait, MLA K.M. Shivalinge Gowda, KPCC Women's Wing President Dr. Pushpa Amarnath and several other leaders.

Prof. Morabada Mallikarjuna, Director, Publication Division, JSS Mahavidyapeetha, will speak about the books.

Manasa, Chairman, Kannada Book Authority, Bengaluru, will be the chief guest. M. Chandrashekar, President, Kannada Sahitya Kalakoota, Mysuru, will deliver the keynote address. Pratibha Chayapathi, Publisher, Talukina Venkannaiah Smaraka Granthamale and Ranganath Mysore, Secretary, Hoysala Kannada Sangha will be present.

EDITOR'S BOTTOMLINE

Humiliation is the abasement of pride, which creates mortification or leads to a state of being humbled or reduced to lowliness or submission, says Wikipedia. It is an emotion felt by a person whose social or family status, or status generally, either by force or volition, has just decreased. It is brought about through intimidation, physical or mental mistreatment or trickery, or by embarrassment, if a person is revealed to have committed a socially or legally unacceptable act. The Greek word Humus is the basis for 3 similar words like humility. Here are some typical ways humiliation shows up: Shut your mouth. Don't eat/drink. Don't waste power by switching on AC and lights. Why coffee now? Don't you know even this? Stop pretending. Don't be dramatic. Gods are not your servants! Whereas humility is sought alone as a means to de-emphasise the ego, humiliation must involve other person(s), though not necessarily directly. We all have suffered humiliation without exception, individually or collectively as a social group. For example, losing cricket match.

Why does one humiliate another? If someone humiliates you, I say that the perpetrator is psychologically disturbed. The underlying motivation may be to show one-upmanship by lowering the other. The impact on the humiliated is sometimes light and sometimes serious leading to virtual death of the person's self-confidence, self-esteem and pride. However, a deeper understanding will show us that, in fact, there is neither victim nor humiliation at all. It's just the latter's imagination, fear or an inferiority complex.

If you refuse to be humiliated or even recognise it, there is no humiliation. When God resides in all, the so-called victim is God himself! Separate Him from the person who was humiliated. It was not you; it was God in you who was supposedly humiliated. The remedy is to kill that nefarious habit of humiliating others; not hate or revenge, but selfless and abundant love and understanding. Here are samples of puranic/modern examples: Dharmaraja loses the dice, his entire empire and possession. Draupadi loses her honour in the open in front of the relatives, friends and even seniors, gurus etc. But their worth was not diminished.

— A.V.R. Rao in Deccan Herald

NEWS SPARKLERS

Woman lives in supermarket rooftop sign

Midland: A homeless Michigan woman was found living in the rooftop sign of a Family Fare supermarket in Midland. She had been staying there for about a year without anyone noticing her.

The 34-year-old unnamed woman was found living inside the business sign when contractors curious about an extension cord on the roof of the Family Fare supermarket in Midland decided to follow the wire. It led them inside the rooftop advertising sign where the clandestine guest had set up a cozy nest complete with flooring, a computer, and a coffee maker. Police officers were called, and the woman told them that she had a job elsewhere but had no home and had been living there for about a year. She was dubbed as "Roof Ninja" by Police because of her discretion in entering and leaving the rooftop sign.

World's longest straight desert road

Riyadh: A 149-mile-long stretch of highway connecting two towns in Saudi Arabia holds the title of the world's longest straight road.

Saudi Arabia's Highway 10 stretches 916 miles (1,474 km), connecting the town of Al Darb, in the southwest, to Al Batha, in the east. It's quite a busy road, most traversed by trucks shipping goods from one side of the country to the other, but it is most famous for a 149-mile stretch through the Rub-al-Khali desert. This particular piece of infrastructure was originally built as a private road for King Fahd (SAU), but ever since it became part of the public road system, it claimed the Guinness Record for the world's longest straight road, also known as 'the most boring road in the world', due to its complete lack of bends, almost completely flat terrain, and bland, featureless surroundings as far as the eye can see.

Power-lifting champions

Mysuru, May 14 (VNS)- The prize distribution of Power-lifting Championship - 2024 jointly organised by Mysuru Power-lifting Association and Apollo Gym was held at Hoysala Karnataka Bhavan on Narayana Shastry Road, here on Sunday.

Former MLA M.K. Somashekar, who distributed the prizes, said sports played a major role in keeping youths away from unhealthy practices and lifestyle.

Stating that youths played a pivotal role in shaping the future of the country, the former MLA expressed his concerns over a few youths who had taken to narcotics, alcohol and gambling and thus ending up their own lives.

"Youths should involve in sports and other activities which would boost their creativity and keep their body fit," he added.

Gym Master Nagesh Rao, Trainers Bhaskar, Shahnawaz, Shivakumar, Supreeth, Sharath and others were present.

VOICE OF THE READER

Laying of drain slabs: MCC may try this Kerala model

Sir,

The Mysuru City Corporation (MCC), in the recent last few months, is laying drain slabs in major commercial establishment areas, in front of shops, digging, removing the concrete and laying new slab stones.

Though the said work seems good from outside, it has certain lacunae. In the event of blockage or choking of drains, MCC has to cut open these drain slabs, which may cause loss in terms of damage to the slabs, inserting new slabs and also blocking the pedestrian or walkway unfit for reuse for some time.

Recently I had been to Ernakulam in Kerala, wherein I could notice that typical arrangement is carried out by the local administration where after every two or three slabs, provision for a drain cover is made and this can be opened in the event of any blockage of drain *(see picture)*

Hope the MCC can also think on these lines and save time and tax-payers' money.

Senior BJP leader Sushil Modi no more

New Delhi, May 14 (Agencies)- Senior BJP leader and former Bihar Deputy Chief Minister Sushil Kumar Modi passed away at the All India Institute of Medical Sciences (AIIMS) here yesterday. He was 72. The former Dy.CM was battling with cancer.

Over his three-decade-long political career, Sushil Modi held various positions, including MLA, MLC and member of Lok Sabha and Rajya Sabha. He served as the Deputy Chief Minister of Bihar from 2005 to 2013 and again from 2017 to 2020.

Expressing his condolences, Prime Minister Narendra Modi wrote on X stating that he was deeply saddened by the untimely death of Sushil Modi.

"I am deeply saddened by the untimely demise of Sushil Modi ji, my valuable colleague in the party and my friend for decades.

Sushil Kumar Modi

He has played an invaluable role in the rise and success of BJP in Bihar. Strongly opposing the Emergency, he made a name for himself in student politics," PM Modi wrote on X (formerly known as Twitter).

"He was known as a very hard-working and sociable MLA. He had a deep understanding of the issues related to politics. He also did a lot of commendable work as an administrator. His active role in the passage of GST will always be remembered. My condolences are with his family and supporters in this hour of grief. Om Shanti!," the PM added.

Kidnap case: Revanna gets conditional bail; released

Walks out of Parappana Agrahara Central Prison in Bengaluru

H.D. Revanna

Bengaluru, May 14 (Agencies)- A Special Court for Elected Representatives in Bengaluru granted conditional bail to Holenarasipura JD(S) MLA H.D. Revanna yesterday. He is accused of kidnapping a woman from K.R. Nagar, allegedly sexually assaulted by his son Prajwal Revanna, a JD(S) MP from Hassan.

The bail orders reached the authorities of Parappana Agrahara Central Prison in Bengaluru this morning and the MLA was released after a six-day stay.

Yesterday, Special Judge K. Gajanana Bhat directed that two sureties with a Rs. 5 lakh bond be provided for bail and instructed Revanna to cooperate with the Special Investigation Team (SIT) during the probe.

The bail was granted on the condition that he "shall not threaten or tamper with the prosecution witnesses or the complainant and victim." He has also been barred from entering the "permanent place of residence of the victim directly or indirectly until further orders."

The MLA was arrested by the SIT, constituted by the Siddaramaiah Government, to investigate allegations of sexual assault on multiple women by Prajwal. These allegations surfaced after videos of sexual assault, purportedly involving the Hassan MP, circulated in the public domain ahead of the Lok Sabha elections in Karnataka on Apr. 26.

Revanna was arrested by the SIT on May 4, following the rejection of his anticipatory bail plea in the kidnapping case by the Special Court. The probe team located the victim on May 5.

Advocate C.V. Nagesh represents Revanna

In the morning session, the Court commenced hearing the arguments presented by Additional Special Public Prosecutor Jayna Kothari and Revanna's Counsel C.V. Nagesh. Nagesh persisted in his argument that the Police had falsely applied IPC sections related to kidnapping, while Kothari defended the Police's decision, asserting that it was indeed a kidnapping case.

During the proceedings, Nagesh highlighted a video wherein the woman, purportedly the victim, claimed she had not been kidnapped. "I had gone to my relative's house, and my son, mistaking the situation, filed the case," she stated. However, the Judge noted that the Court, at this stage, could not ascertain the authenticity of the video.

After hearing their submissions, the Judge adjourned the Court until 2.45 pm, with arguments resuming around 3 pm. By 4 pm, the Judge announced that the orders would be delivered after 5 pm.

The Courtroom was packed with Advocates, political party workers, notably from JD(S), and a few members of the SIT. Around 6.30 pm, the Judge entered the Courtroom and declared the grant of bail.

Loopholes in the FIR

Addressing the media outside the Court, Nagesh's associate emphasised that the Court took into consideration the loopholes in the FIR, which was registered by K.R. Nagar Police and accused Revanna and his associate of kidnapping the rape survivor, along with the further investigation conducted by the SIT.

The Advocate also highlighted flaws in the SIT's approach, noting that the SIT did not mention in their remand application that they had taken statements from the victim woman.

"It was only during the argument that the SIT claimed to have taken the victim's statement. Moreover, the SIT has not presented clear evidence to establish Revanna's involvement in the alleged kidnapping," he stated.

The Court pointed out that while statements given by the victim implicated Revanna's son Prajwal for sexual assault, they did not implicate Revanna in the kidnapping of the victim.

Loco Pilot injured as tree branch falls on Memu Train

Mysuru, May 14 (PM&BS)- A huge branch of a tree fell on a Memu Train injuring the loco pilot (driver) near the sugar factory close to Mandya Railway Station on Monday.

S.N. Prasad, 39, is the loco pilot who suffered head injuries in the incident and was treated at the District Hospital in Mandya.

The Memu Passenger Train (No. 06525) was coming from Bengaluru to Mysuru in the evening, when the branch of tree beside the track, fell on the windshield of the train, following rain and wind, damaging the glass resulting in the injuries of loco pilot.

Following the incident, the train that was scheduled to arrive at Mysuru Railway Station at 7.30 pm, had to be stopped near Mandya.

As an alternative measure, the passengers of Memu train were deboarded and allowed to continue their journey in Vishwamanava Express train that was running on the same route (Bengaluru to Mysuru). The train reached Mysuru at 8.30 pm.

Obituary

Markus Nanald

Mysuru, May 14- Markus Nanald (61), a resident of Raghavendranagar here, passed away yesterday in city.

He leaves behind his wife, one son, one daughter and a host of relatives and friends.

'To accomplish great things, we must not only act, but also dream; not only plan, but also believe.'

Completes one year in office...

MLA T.S. Srivatsa lists out works taken up in Krishnaraja

Mysuru, May 14 (BLU&DM)- On completing one year in office, Krishnaraja BJP MLA T.S. Srivatsa outlined his achievements during the past year.

Speaking at a press conference held at a private hotel this morning, he highlighted that the previous BJP Government had allocated Rs. 700 crore for development works and scheme implementation in Krishnaraja Constituency. However, he noted that since the current Congress Government assumed power, many of these works have been halted due to a lack of funds.

He asserted that through his persistent efforts, the Siddaramaiah Government released Rs. 45 crore a few months ago for developmental projects. He alleged that these funds were redirected to other city Constituencies without his knowledge.

"I have lodged a complaint with the CM regarding this issue and I am optimistic that the funds will be reinstated for the benefit of my Constituency," he said.

'Mega Adalat' soon

Addressing the ongoing issues related to land property transfers in K.C. Layout, J.C. Layout and other residential areas under Kurubarahalli Survey No. 4, the MLA announced plans for a 'Mega Adalat' soon to provide a permanent solution.

Rise of rowdy elements

The MLA expressed concern over the rise of rowdy elements and anti-social behaviour since the Congress Government came to power. He said that he has written to the Police Commissioner urging for strict action against these individuals who are causing fear among the public.

Additionally, Srivatsa discussed the implementation of the biogas project in the Constituency, which involves establishing a biogas plant to cater to household needs. Biogas, produced from cow dung in dairy farms, serves as an eco-friendly alternative to natural gas and other fossil fuels, he noted.

Former Mayors Shivakumar and Sunanda Palanetra, along with BJP leaders Mohan, Jogi Manju, Subramanyaraje Urs, Giridhar, Cable Mahesh and others were present.

MLA's achievements

• Distribution of over 60,000 cards to beneficiaries of various Government schemes.

• Construction of 940 houses under Ashraya Group Housing Scheme for the shelterless at Lalithadripura (foundation stone laid on Mar. 14, 2024).

• Disposal of 7 lakh tonnes of legacy waste collected at Excel Plant in Sewage Farm, with Rs. 60 crore tender issued. Completion of waste clearance within the next 22 months.

• Road development projects valued at Rs. 50 crore across different wards in Krishnaraja.

• Construction of additional hostel rooms and new hostels, totalling Rs. 7.75 crore.

• Establishment of a Government Degree College at Kuvempunagar, costing Rs. 3.5 crore.

• Implementation of underground drainage systems throughout the Constituency, amounting to Rs. 6.8 crore.

• Addition of rooms at Government Schools in the Assembly segment, costing Rs. 4.2 crore.

• Installation of traffic signal lights and construction of bus shelters, totalling Rs. 74 lakh.

• Establishment of potable water drinking plants at 7 locations (expenditure of Rs. 69 lakh).

• Development of minority colonies (Rs. 3 crore investment).

• Installation of streetlights and renovation of 44 old temples.

• Construction of Dr. Ambedkar Bhavan at Shivapura, amounting Rs. 50 lakh.

• Road and civic works worth Rs. 4.14 crore undertaken.

250 hi-tech CCTV cameras

(Continued from page 1)

This initiative's primary objectives are to enhance commuter safety, facilitate enforcement of traffic regulations and improve responses to potential law and order issues.

Notably, these cameras are independent units and are being mounted on sturdy iron poles, distinguished by their distinctive orange paint. All these cameras will be integrated into the Automation Centre at the City Police Commissioner's Office where they will be monitored by dedicated teams working in shifts.

Over 100 of these cameras have already been installed, and this morning ADGP (Traffic and Road Safety) Alok Kumar inspected these installations.

Having arrived in the city last evening following an inspection of over 60 AI-based cameras on Mysuru-Bengaluru Highway, the ADGP commenced his visit at Devalapura Junction in Uttanahalli on Ring Road this morning.

He was accompanied by various officials, including Additional SP Dr. B.N. Nandini, City Police Commissioner Ramesh Banoth, DCP (Law and Order) M. Muthuraj, DCP (Crime and Traffic) S. Jahnavi and ACP Traffic Parashuramappa.

The ADGP recommended establishment of zebra crossing at Devalapura due to its status as a bustling junction.

After a brief stop at APMC Junction in Bandipalya, where he addressed traffic congestions caused by M.G. Road vegetable market, he proceeded to inspect various locations including Nanjangud Road, Gun House Circle, Chamaraja Double Road, JLB Road, Saraswathipuram and Bogadi Road, where new cameras have been installed.

Alok Kumar also monitored the operation of existing 50-odd cameras to ensure their functionality. With the imminent activation of over 250 high-tech cameras, they are expected to play a vital role in surveilling and monitoring traffic flow.

These cameras will help curb traffic violations, even in areas on the city outskirts that were previously not under surveillance. The comprehensive coverage provided by these cameras is poised to significantly enhance safety and security across Mysuru city and outskirts.

Alok Kumar will conclude his visit to Mysuru with a luncheon meeting with officers and later proceed to Bengaluru.

Council polls: Nominations

(Continued from page 1)

South Teachers Constituency comprises Mysuru, Chamarajanagar, Mandya and Hassan Districts, hence the presence of Ministers and MLAs representing the respective districts during the filing of nomination papers.

Marithibbegowda is seeking re-election for the fifth consecutive term, having previously served four terms in the Upper House. He initially won as a Congress candidate in 2000, followed by victories as an Independent candidate in 2006, and twice as a JD(S) candidate in 2012 and 2018. Having returned to the grand old party, he is optimistic about maintaining his winning streak.

Similarly, K.K. Manjunath, the Congress nominee from the South West Teachers Constituency, also filed his nomination, accompanied by CM Siddaramaiah and other leaders.

However, Siddaramaiah did not address the media or attend the scheduled meeting with party workers at Leela Channaiah Choultry in Vinayakanagar (Paduvarahalli). Instead, he headed straight to his residence at T.K. Layout.

Sources indicate that the CM is expected to participate in a meeting with prominent leaders from Mysuru, Chamarajanagar, Mandya and Hassan to discuss party's prospects in Council polls.

Earlier, the CM arrived on a special flight from HAL Airport in Bengaluru to Mysore Airport and spoke to media persons.

Responding to a question regarding a video allegedly featuring Maharashtra Chief Minister Eknath Shinde discussing the potential downfall of the Congress Government in Karnataka after the LS polls, Siddaramaiah remarked, "They have been speculating about the fall of the Government for a year now. The Maharashtra CM should focus on saving his Government first. There is no infighting within the Karnataka Congress unit, and if there were, it would have been impossible to work together cohesively during the LS polls."

The Congress has announced its candidates for the biennial polls to six Council seats (three each for Graduates and Teachers' Constituencies) in Karnataka, scheduled for June 3. The party is likely to adopt a strategy similar to the recently concluded Lok Sabha polls.

The nominated candidates include D.T. Srinivas for the South East Teachers' seat, Dr. Chandrashekar Patil for the North East Graduates seat, Ayanuru Manjunath for the South West Graduates' seat and Ramoji Gowda for the Bengaluru Graduates' seat.

LS: PM Modi files paper from Varanasi

(Continfued from page 1)

PM Modi, who is the sitting MP and the Bharatiya Janata Party (BJP) candidate from Varanasi, is eyeing a third straight win, as he had previously won the seat in the 2014 and 2019 elections with a huge margin.

Congress party has fielded its Uttar Pradesh Unit President Ajay Rai and Bahujan Samajwadi Party (BSP) has pitted Athar Ali Lari, in this high profile seat, considered as a BJP stronghold.

PM Modi began his day with a visit to Assi Ghat, where he offered prayers to River Ganga. It was followed by a visit to the Kaal Bhairav Temple followed by the filing of nomination papers at 11.30 am.

PM Modi filed his nomination before Varanasi District Magistrate S. Rajalingam in the presence of UP Chief Minister Yogi Adityanath, Pandit Ganeshwar Shastri, a Brahmin known for determining the auspicious time for the consecration of Ayodhya Ram temple among others.

The team of proposers for Modi's nomination included Pandit Ganeshwar Shastri, Baijnath Patel, an old RSS volunteer from OBC community, Lalchand Kushwaha, another OBC community member and Sanjay Sonkar, a Dalit. Rashtriya Lokdal (RLD) President Jayant Chaudhary also participated in PM's nomination from Varanasi.

Bhagini Ramotsava - Music Festival concludes

Immense skill and craft

On the concluding day of 'Bhagini Ramotsava - Music Festival' at BSS Vidyodaya in Krishnamurthypuram, Mysuru, on May 11, *Sangeetha Kalanidhi* Neyveli Santhanagopalan's daughter and noted musician **Vidu. Sriranjani Santhanagopalan** gave a vocal music concert accompanied by **Vidu. Gayatri** on violin, Vid. Praveen Sparsh on mridanga and **Vid. Shamith Gowda** on ghata.

Sriranjani's concerts are marked by her captivating musical prowess, her youthful exuberance, her very mellifluous, honeyed voice and her pleasing stage presence. 'I should practice like there is no tomorrow at home but sing like I have all the time on stage' is what she says.

The present concert, however, expected to last for at least two and a half hours, lasted hardly for one and a half hours, a bit disappointing for audience who expected more.

The concert had a grand start with Muthiah Bhagavatar's 'Mate Malayadhwaja pandya SanjAte', a daru varna. Tygaraja's 'SAmaja varagamana' was presented brilliantly with intellectual sarvalaghu swaras at 'Veda shiromaNi mAtruja'. The Poorvikalyani sketch, though short, proved the level of maturity in Sriranjani's music.

Vidu. Sriranjani Santhanagopalan giving a vocal concert at BSS Vidyodaya in Krishnamurthypuram, Mysuru, on the concluding day of 'Bhagini Ramotsava - Music Festival' on May 11. She is accompanied by Vidu. Gayatri on violin, Vid. Praveen Sparsh on mridanga and Vid. Shamith Gowda on ghata.

Tyagaraja's 'GyAnamu SagarAda', though presented brilliantly, was a bit disappointing as it went with no swarakalpana.

Surprisingly, Sriranjani took up Kalyani immediately after Poorvikalyani with Purandaradasaru's 'AnjikinyAtakayya' set to Mishra Chapu, soon after which another composition of Purandaradasaru 'RAma RAma RAma ennirO' in Vasanta was presented in racy style.

Bilahari was bewitching. Sriranjani's innovative style evident not only in her detailed delineation of the raga expanded step by step, but also in her letting the violinist to present her essay of the raga in between the ragalapana, as done during the tanam delineation by main artistes, was impressive.

Her voice and exploration of the raga in the higher octave was absolutely bewitching. Mysore Vasudevachar's 'Sri Chamundeshawari pAlaya mAm' was the composition chosen.

Sriranjani excelled in singing the chitteswara in various speeds and nadais. She took up the line beginning 'RAkA nishAkara sannibha vadane' for neraval — the only neraval in the concert — going through it expertly like rafting in the rapids, a commendable exercise for the way it was built methodically focusing at beautiful phrases.

Following detailed swarakalpana, Taniyavartanam was presented with vigour by Praveen on mridanga and Shamith Gowda on ghata.

The post-tani part included Purandaradasaru's popular 'JagadOddhArana' in kapi and 'Hari chitta Satya' in Jonpuri, during the rendition of which the vocalist forgot the lyrics and had to refer to her phone, a Marathi abhang in Brindavana Sarang by Sant Namadev Maharaj 'Bhaktajana vatsale' rendered beautifully and Raghuvamsha sudhAmbudhi' (Patnam Subramya Iyer) in Kadanakutuhala on request.

With this concluding concert, the curtains came down at Bhagini Ramotsava for this year. Kudos to Gururaj, the chief organiser of this grand event.

A word must be said about the anchoring of this week-long programme, which was done by Deepika Pandurangi, whose Kannada is amazingly superb.

The organisers announced that they intend to conduct Bala Ramotsava for young performers in the near future, which will be announced shortly.

—Dr. Padmavathi Narasimhan

'Kayaka Yogi Basavashri' awards conferred

Mysuru, May 14 (MK&VNS)- Janasevaka Yuva Brigade honoured achievers in various fields with 'Kayaka Yogi Basavashri' awards at a function held at Sri Ganapathi Temple auditorium in Nivedithanagar here recently.

The awardees include Prof. Sadhana Shanbagh (Education), S.G. Girish (Medical), Mahendra Singh Kalappa (Environment), R. Mahesh Kumar (Organisation). The awards were presented by Medical Writer and Suyog Hospital Chairman Dr. S.P. Yoganna.

Speaking on the occasion, Dr. Yoganna said that Basavanna, being the first spiritual guru of Karnataka, fought against social evils apart from establishing Anubhava Mantapa for a casteless society.

"Basavanna, a true cultural leader, not only guided the society towards spiritualism through his vachanas but also contributed to the field of medicine," he said.

Mysuru Hotel Owners Association President C. Narayanagowda, BJP leader Arun Kumar Gowda, Vivekananda Institute Chairperson Savitha Gowda, Janasevaka Yuva Brigade President D. Raghavendra, KMPK Trust President Vikram Iyengar, Sridhar, Praveen Kumar, Mahadevaswamy, Nanjundaswamy, Spandana, Chandrashekar Patil, Raksha Prabhu were present.

'Light music is at its peak, thanks to Mysore Ananthaswamy, C. Ashwath'

Mysuru, May 14 (BS)- Kikkeri Krishnamurthy, State Working President of Karnataka Sugama Sangeetha Parishat, has said: "Sugama Sangeetha (light music) holds a distinguished position among various forms of music and great personalities like singers Mysore Ananthaswamy and C. Ashwath should be credited for taking this form of music to greater heights."

He was speaking after inaugurating two-day workshop on light music organised by Mysuru district unit of the Parishat, at Sri Anantheshwara Bhavan in Hootagalli here recently.

As many as 150 participants attended the workshop.

Kikkeri Krishnamurthy, State Working President of Karnataka Sugama Sangeetha Parishat, inaugurating two-day workshop on light music organised by Mysuru district unit of the Parishat in city recently.

Krishnamurthy said: "I am happy to attend the workshop and the participants should learn light music by practicing the poetry penned by poets and prove the strength of the music."

Dr. Nagaraj V. Bairy, Mysuru District President of the Parishat, said: "Music camp will be organised in Mysuru every year by conducting several programmes in the coming days. The Parishat will be a perfect platform to introduce new singers & musicians."

Dr. M.D. Sudarshan, Assistant Director of Kannada and Culture Department, assured to extend all help to the Parishat, besides thanking Bairy for organising the camp on a large scale.

David, President of Mandya District Sugama Sangeetha Parishat, said: "In the coming days, Karnataka Sugama Sangeetha Parishat will organise music concerts in Mysuru and honour veteran singers who have carved a niche on their own."

Parishat State Secretary B.V. Praveen, Treasurer Prashanth Udupa, singers Indrani Ananth and Rashmi Chikkamagaluru, writer Jayappa Honnali, Parishat's Mysuru District Vice-President N. Gangadharappa, Secretary Siribalu, Media Advisor N. Bettegowda and others were present.

Duty-bound Police personnel assaulted

Case registered against six persons

Mysuru, May 14 (KS)- Vidyaranyapuram Police have registered a case against six persons for allegedly assaulting Police personnel on duty.

Cases have been registered against Keerthiraj, Suresh, Sharath, Madan, Adarsh and Chidananda, following a complaint from Kemparaju, a staff at Vidyaranyapuram Police Station.

In his complaint, Kemparaju has stated that he, along with his colleague Kariyappa, was conducting beat at about 12 midnight on May 11, when they saw five persons consuming alcohol and shouting loudly on the road opposite a choultry.

Kemparaju has further stated that he and Kariyappa went near those consuming liquor, collected their names and addresses and told them not to shout in the middle of the night, when the five persons abused them using foul language besides threatening with life.

Kariyappa then informed the same to Garuda Police personnel and also informed the Station House Officer requesting him to send Police staff to the spot.

Meanwhile, one of the persons caught Kemparaju on his collar and allegedly hit him on the head with his hand while another kicked him. The persons also assaulted Kariyappa, who came to the rescue of Kemparaju.

Meanwhile, other Police personnel, who were on night beat nearby and the public rescued Kariyappa and Kemparaju.

Vidyaranyapuram Police, who have registered a case, are investigating.

Gold ornaments worth Rs. 14 lakh stolen from house

Mysuru, May 14 (SBD&KS)- Burglars have decamped with gold ornaments worth Rs. 14 lakh from a house at Shakthinagar and a case has been registered at Udayagiri Police Station.

The burglary took place at the house of Ashok Kumar, who had locked his house on May 11 night and had gone to his mother-in-law's house at Gandhinagar.

As Ashok's mother-in-law had taken ill, he had sent his wife and daughter to her house. On May 11 night, Ashok locked his house and went to his mother-in-law's house and stayed overnight there. When he returned to his house at about 10 am the next day, he found the front door of his house open and on inspecting the house, he found the empty jewellery boxes scattered on the bed. The burglars had decamped with gold jewellery in the boxes which he had kept in the almirah.

Udayagiri Police, who have registered a case, are investigating.

Man cheated of Rs. 17.8 lakh in trading

Mysuru, May 14 (SBD&BS)-A man has allegedly lost Rs. 17.8 lakh investment in trading, after believing in a trading message received on his cell phone.

Sharan, a resident of Vijayanagar 4th Stage in city, has lodged a complaint at Cyber, Economic and Narcotics (CEN) Crime Police Station here in this regard.

In his complaint, Sharan has stated that "I received a message related to trading from the number +4915212070582 on my cell phone on Apr. 21. Without suspecting, I gradually transferred Rs. 17.8 lakh to various accounts as informed by the racketeers. However, neither I got my share of profit nor the investment was returned, thus cheating me."

CEN Police have warned people against falling prey to such fraudsters, as there has been a rise in the number of such fake trading networks, where the gullible investors are lured with higher profit margin on investment.

Recently, in a similar fashion, an Engineer was swindled of Rs. 89.5 lakh through a dubious trading app.

National Technology Day at CFTRI

A blend of creativity, curiosity spurs innovation: Arjun Ranga

Mysuru, May 14 (PM&BS)- Chief Executive Officer (CEO) and Managing Director of N. Ranga Rao and Sons Pvt. Limited Arjun Ranga emphasised the importance of creativity, curiosity, and innovation across all fields.

He was speaking as chief guest at the National Technology Day-2024 celebration organised by the Council of Scientific and Industrial Research (CSIR)-Central Food Technological Research Institute (CFTRI) at its Cheluvamba Hall on Monday.

CFTRI licence holders and sponsors seen with (sitting from left) CFTRI Director Dr. Sridevi Annapurna Singh, N. Ranga Rao & Sons CEO & MD Arjun Ranga and CFTRI Technology Transfer and Business Development Head Dr. Aashitosh A. Inamdar, during the National Technology Day-2024 celebration at CFTRI on Monday.

Agarbathi to Aerospace

Speaking on the theme 'From Agarbathi to Aerospace... Creating an Innovation Mindset,' Arjun Ranga highlighted that significant advancements often originate from a blend of creativity and curiosity, regardless of the domain. He stressed the necessity of prioritising research, invention, the integration of new technologies, and overall development.

He illustrated his point with the example of his own company's journey. He mentioned that if his ancestors had confined themselves solely to the agarbathi business without exploring the integration of technology, Rangsons Aerospace would not have emerged.

He credited this innovative mindset for enabling Rangsons Aerospace to thrive and contribute to the Chandrayaan Mission of the Indian Space Research Organisation (ISRO) by supplying aerospace equipment.

Reflecting on the humble beginnings of his family's agarbathi business, Arjun Ranga recounted the early days when his grandfather, N. Ranga Rao, embarked on this venture by renting a shop at Santhepet in 1948.

Driven by an unwavering passion for achievement, Ranga Rao sought to infuse technology into fragrance manufacturing. Despite facing a 14-month wait for books from France, he diligently studied them and established the first laboratory in T. Narasipura in 1950. Over the past 75 years, the company has continually embraced newer technologies to meet evolving demands, leading to the widespread popularity of the 'Vasu Agarbathi' brand.

Arjun Ranga proudly stated that the company has provided livelihoods for 25,000 families and created job opportunities for countless individuals. He attributed this success to the company's diversification into various fields such as aerospace, electronics, and food production, all made possible through the adoption of technology.

Highlighting their expansion into the electronics sector as early as 1970, Arjun Ranga emphasised their contribution to supplying equipment for rocket manufacturing since 2013. He regarded this journey from agarbathi to aerospace as a testament to the company's growth trajectory and expressed pride in their achievements.

Diversifying business

He proudly shared that pipes manufactured by Rangsons Aerospace are utilised in Airbus jet engines, which are also employed by various automobile companies, including Rolls Royce.

Additionally, products from Mysuru, such as those manufactured by Rangsons, play integral roles in ISRO's Chandrayaan missions, as well as sea and solar expeditions. Furthermore, Rangsons has recently expanded its operations into the defence sector, marking another milestone for the company, he noted.

Arjun Ranga underscored the cultural significance of the agarbathi industry, noting that 1,300 agarbathis manufactured by the Cycle company, a popular brand under N. Ranga Rao and Sons, are used in homes every year for morning rituals. Rather than merely identifying as agarbathi manufacturers, Ranga Rao and Sons aspired to be catalysts for inspiring lives and saw success.

He highlighted the significance of the laboratory at the T. Narasipura unit, where perfume is extracted from the Sugandharaja flower. Ranga stressed the importance for entrepreneurs to prioritise job creation and focus on technology and research, as exemplified by Ranga Rao and Sons.

Subsequently, CFTRI signed a Memorandum of Understanding (MoU) on technology with sponsors for three sponsored projects. Certificates of Appreciation were also distributed to licence holders of CFTRI during the event.

The event was attended by Director of CFTRI, Sridevi Annapurna Singh, Head of Technology Transfer and Business Development, Dr. Aashitosh A. Inamdar, and Senior Principal Scientist, Dr. Ramesh Kumar Parigi.

CFTRI's 74th anniversary in October 2024

Dr. Sridevi Annapurna Singh, Director of CFTRI, highlighted that CFTRI will celebrate its 74th anniversary this October. She emphasised the significant contributions made by all 37 institutes under the Council of Scientific and Industrial Research (CSIR) towards addressing various challenges faced by the nation, showcasing their dedication to society. Additionally, the Director mentioned the development of 12 new technologies by CFTRI, indicating the institute's ongoing efforts to innovate and provide solutions in various fields. In the year 2023-24, CFTRI has developed the following 12 new technologies:

- Ragi-based malt hydrolysate
- Malted ragi-based ready-to-eat weaning food
- Finger millet semolina
- Instant finger millet rava idli mix
- Instant finger millet halwa mix
- Instant finger millet khichdi mix
- Instant finger millet upma mix
- Millet and multi-millet puttu podi mix
- Cleaner process for biotechnological production of spirulina
- Ready-to-use multi-grain idli and dosa batter in retail packs
- A process for the production of multigrain waffles
- A process for the production of multigrain pizza base

Alok Kumar inspects new cameras on Mysuru-Bengaluru Highway

Mysuru, May 14 (RK&BCT)- Additional Director General of Police (ADGP) for Traffic and Road Safety, Alok Kumar, yesterday inspected over 60 Artificial Intelligence (AI)-based Automatic Number Plate Recognition (ANPR) cameras being installed along the Mysuru-Bengaluru Highway (National Highway-275).

Departing from Bengaluru, he travelled by road to Mysuru via Bidadi, Ramanagara, Channapatna and Maddur. He inspected the cameras at a couple of places in Ramanagara and Mandya from the Nidaghatta border to Kalasthavadi point accompanied by Ramanagara SP Karthik Reddy, Mandya SP N. Yathish and officers from the National Highways Authority of India (NHAI).

The purpose of the ADGP's visit was to evaluate the effectiveness of these cameras in various aspects, including speed control, crime prevention and reducing incidents of dacoity and accidents.

ADGP (Traffic & Road Safety) Alok Kumar & others officials seen during inspection of cameras on Mysuru-Bengaluru Highway yesterday.

He sought to understand how these cameras function and the significance of their installation at regular intervals along the Highway. Representatives from the ANPR camera installation agency and NHAI officials provided detailed briefings to the ADGP during the inspection.

Crime & accident control

Many vehicles frequently traverse between the service road and the tolled main carriageway in attempts to evade toll payment at toll plazas. The series of installed cameras can effectively detect such violations. They are equipped to address various infractions including overspeeding, wrong-way driving and unauthorised manoeuvres, the ADGP was told.

Furthermore, these cameras can promptly alert control rooms upon detecting violations. Automatic penalty notices are generated and sent to the owners of the violating vehicles, facilitating swift action.

In case of accidents, the system can automatically relay messages to ambulances, aiding in timely response and assistance.

Additionally, cameras play a crucial role in crime prevention by alerting jurisdictional Police Stations and helping deter incidents such as dacoities and roadside robberies. The cameras will also help the Police to identify the vehicles involved in the crimes. This demonstration of modern technology and its functionality was showcased to the ADGP during the inspection.

At 4 pm, Alok Kumar arrived at the Mysuru border in Siddalingapura, where he was welcomed by City Police Commissioner Ramesh Banoth, DCP (Law and Order) M. Muthuraj, DCP (Crime and Traffic) S. Jahnavi and ACP (Traffic) Parashuramappa.

Exiting his vehicle, the ADGP inspected the cameras installed along the route from Mandya border to Manipal Hospital Junction. Subsequently, the ADGP proceeded to the DG Suite near the SP Office in Mysuru to rest for a while. He later engaged with Deputy Superintendents of Police (Dy.SP) probationers undergoing training at Karnataka Police Academy (KPA). He stayed overnight in Mysuru and continued traffic inspection today.
